# Welcome to BreyerFest®

## Welcome to BreyerFest!

This is our 24th annual BreyerFest®, hosted by Breyer Animal Creations®, makers of the world's finest model horses! We are delighted to welcome you! BreyerFest is a place to meet the horses that inspire our models, to learn more about the model horse hobby and to make friends with people who love horses and model horses as much as you do!

If you've been to BreyerFest before, we've made a few changes to the program so please familiarize yourself with our new look. If you are a newcomer, check out the [First Timer's Guide To BreyerFest!](#) The best way to have fun at BreyerFest is to look at the schedule and make a plan for the day so you don't miss out. Please adhere to the following guidelines for everyone's safety:

### General Event Guidelines

The **Help Desk** is located near our giant inflatable horse, **Fluffy**. Ask the friendly folks here for help! They know everything about BreyerFest! This is also our Lost & Found area.

Breyer staffers will wear light blue polo shirts and have walk-talkies. [Need help? Ask us!](#)

Horses have the right of way! Please be alert to horses moving to and from the Covered Arena and elsewhere on the grounds and use good judgment around them. Don't you or your children walk directly behind horses, run up to them or startle them. The barns are accessible and you are welcome to visit the horses and chat with their owners. Ask the horse owners first

if you may pat their horses. Please listen to the horse owner's instructions - they are for your safety.

**Leave no trace.** Recycle and deposit all your trash in the many receptacles provided!

**Dogs.** We love them too, but if you are not a Splash Dogs competitor, leave them home! If you must bring your dog, they must be on a leash at all times and you must 'pooper scoop.' Bring baggies for that purpose. Don't forget water for them. **Do NOT leave any pets in your cars** or the Kentucky Horse Park Police will be notified.

**Temperatures vary widely!** Be prepared and dress appropriately. Good walking shoes are a must. Drink lots of water. Food is available or you can bring your own - lunch time is the most crowded time for food vendors, so plan ahead!

**Most importantly: HAVE FUN! MAKE FRIENDS! COME BACK NEXT YEAR FOR OUR 25th SILVER CELEBRATION!**

*Best wishes for a great BreyerFest from everyone at Breyer!*

**Emergency Procedures** (If someone is hurt, or you've lost a child or parent!): Don't panic! Find a Breyer Staff member immediately. We have EMTs, as well as the Kentucky Horse Park Police on the grounds at all times. If you cannot reach a Breyer staff member, call 911.

*Breyer reserves the right to make any changes to the program, guests and offerings as necessary.*

# Perfect Day at BreyerFest

## First Timer's Guide

**Plan ahead!** The best way to ensure that you don't miss out on anything is to plan your schedule ahead of time. Make a note each day of your daily "must-see/do" events and plan the rest of your activities around those things. If there are limited edition products that you want to buy either in the Breyer Store or in the Boots & Bling Store, it's usually a good idea to acquire those items early in the day. After you have your 'must see' events noted and models picked up, you can spend the rest of your time to enjoying BreyerFest and the beautiful Kentucky Horse Park.

### If you are a Three-Day Ticket Holder...

- You'll want to check your **Special Run tickets** and note the time and day on them. Plan to be at the Special Run line (at the bottom of the ramp to the entrance of the Breyer Store) 15 minutes ahead of the time on the ticket. A number will be drawn and that number will start the line for that time period. If you miss it, you will go to the back of the line, so be on time!
- Your **Smart and Shiny celebration model** will be available during three pick-up times at Model Hand-Out starting at noon on Friday so don't feel like you need to stand in line. Check the Daily Schedule for the time schedule for each day.
- You are eligible to enter the **Music City Mash-Up Diorama Contest** as well as the **Rhinestone Cowboy contest**. Plan ahead and enter - you may win a fun prize!
- The fun continues after dark at the Clarion Hotel with the **Artisans' Gallery** and the **Swap Meet** (see pg. 18 for more details) as well as room sales!

### If you are a Single-Day Ticket Holder...

- **Start your day off by picking up your exclusive BreyerFest Stablemate at the Help Desk!** Each Single Day ticket comes with one of four (randomly distributed) models.

### If you are new to BreyerFest...

**Here are the things you won't want to miss!**

- Visit the Craft Activity Area: fun daily shows, face painting and Stablemates painting, not to mention the Hands-On Hobby Booth where you can learn all about the model horse hobby!
- Check the equestrian schedule and autograph schedule daily so you don't miss someone you want to see or meet!
- Walk around the concourse to visit our Marketplace vendors. They have great things for sale!
- Check out the television monitors around the Covered Arena to tell you what's going on when.
- Save some time to watch Splash Dogs, the Kids Jump Off and stop by the Petting Zoo.
- Be sure to take advantage of your visit to the Kentucky Horse Park to actually see it! The Visitor's Information Center (VIC), International Museum of the Horse, the Kids Barn and the other barns are well worth it!
- The Adequan North American Junior/Young Rider Championships presented by Gotham North will be held at the KHP simultaneously. Take time to see North America's elite young riders!
- Make time to hit the Boots & Bling Store and the Breyer Store
- Get to the stable to see our special guest horses up close and personal!
- Don't forget the Tennessee River Concert on Saturday Night - join the line dancing and have some fun!

# Celebration Horse

## 2013 BreyerFest Celebration Horse

What do you get when you combine all-star breeding, a world champion trainer, a Grammy® Award-winning owner, and a touch of gold?

### Smart and Shiney!

The 2003 stallion stands out from the crowd with his golden palomino coloring and his trademark beautiful long mane. Owned by horse lover and reining enthusiast **Lyle Lovett**, he is double-registered with both the American Quarter Horse Association and the American Paint Horse Association.

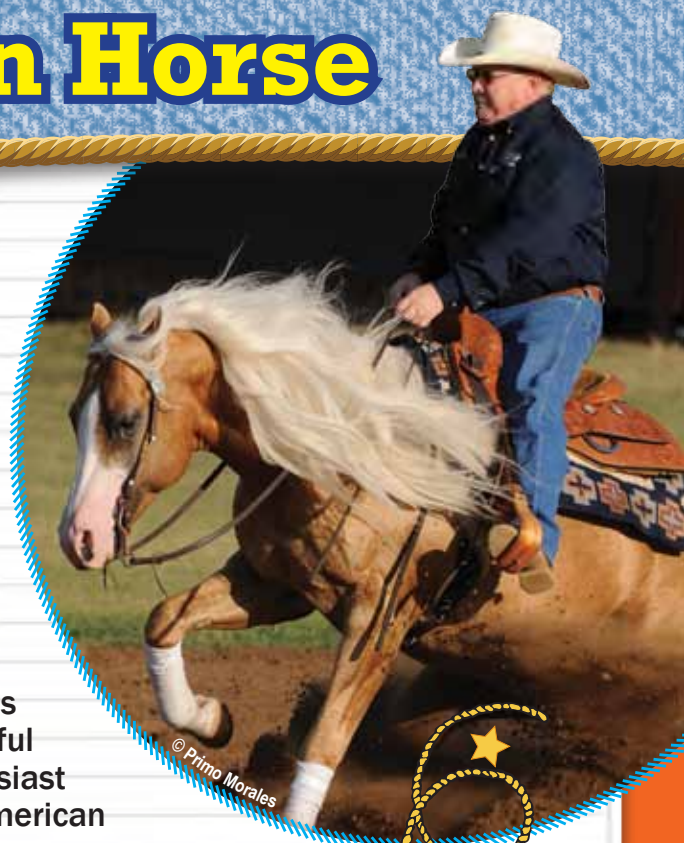

On top of his astonishing good looks, Smart and Shiney has outstanding breeding. He's sired by Smart Shiner, and his grandsire is Shining Spark, National Reining Horse Association (NRHA) Hall of Fame inductee and legend in the reining world! With his earnings currently over \$100,000 and rising, Smart and Shiney has been enjoying a successful career, no doubt in part to his talented trainer, **Tim McQuay**. Tim McQuay, NRHA Hall of Fame inductee and the first-ever \$2 Million Dollar rider in NRHA history and now \$3 Million Dollar Rider, has ridden him to several top 10 finishes, derby championships and finalist placings! Lovett shows Smart and Shiney in non-pro classes and exhibitions, while McQuay has been his primary rider for open competition. In 2010, Smart and Shiney was loaned to team Italy at the World Equestrian Games with McQuay's assistant trainer Marco Ricotta in the saddle, earning team bronze in reining!

Currently standing at stud, Smart and Shiney has sired winners in his first two foal crops, and we'll be sure to see more new generations of reining horses that will live up to their sire's name!

**Model included with each 3-Day ticket!**

## Double Dan Horsemanship

Breyer is thrilled to present 2012 Road to the Horse winner **Dan James** of **Double Dan Horsemanship** at BreyerFest. The *Road to the Horse*, a combination competition and tutorial on gentle techniques for bonding with horses, has become the world championships of colt starting and the event has been described as ‘mesmerizing’. 2012’s event was won by Dan James and former BreyerFest guest Guy McLean.

Born in Queensland, Australia on a small cattle farm, Dan James started his first colt in his early teens which led to him on a life-long quest around the world to learn and understand more about how horses think. His search for answers has led him to Longreach Pastoral College; to Hokkaido, Japan to start horses; to Celina, Texas to work for cutting horse trainer Punk Carter; and finally back to Australia to work on a cattle station in Western Australia. In 2008, James joined his good friend, Dan Steers, in Western Australia at El Caballo Spanish Horse Centre where they performed together each weekend in the “Dan and Dan Show” developing their horsemanship techniques. In 2009,

Steers and James relocated to New South Wales and Double Dan Horsemanship was born. Today, Dan James operates from his home base in Kentucky while Dan Steers is based in Australia.

In 2008, James was recognized as a world class colt trainer when he won the “Way of the Horse” at Equitana Asia Pacific. In 2012, James wowed judges again with his incredible training techniques winning the coveted Road to the Horse International Colt Starting World Champion title.

James continues to push the limits of horsemanship and entertainment with eye-opening clinics and exhilarating performances. Dan will be performing several times daily! Check the Daily Schedule for his performance times. You won’t want to miss this amazing horseman!

# Beneficiaries

## Giving Back

Each year, BreyerFest hosts two raffles, a Silent Auction and a Live Auction from which a portion of the proceeds benefit a wide variety of non-profit organizations. In general, Breyer tends to restrict its support to equine and animal welfare, children's charities, therapeutic riding and environmental protection and stewardship. Your raffle, and Live and Silent Auction purchases help to support these efforts! Over the last 24 years, Breyer has donated more than \$900,000 thanks to the continued generosity of BreyerFest attendees!

**We are pleased to support the following groups, among others, as 2013 BreyerFest Beneficiaries:**

### **American Society for the Prevention of Cruelty to Animals (ASPCA)**

ASPCA was the first humane society to be established in North America and is, today, one of the largest in the world. ASPCA provides local and national leadership in three key areas: caring for pet parents and pets, providing positive outcomes for at-risk animals and serving victims of animal cruelty. The ASPCA's mission, as stated by Henry Bergh in 1866, is "to provide effective means for the prevention of cruelty to animals throughout the United States."

### **Humane Society of the United States (HSUS)**

The HSUS is the nation's largest animal protection organization, rated the most effective by its peers. Since 1954, they've been fighting for the protection of all animals through advocacy, education, and hands-on programs. The HSUS is a mainstream voice for animals, with active programs in companion animals, wildlife and habitat protection, animals in research, and farm animals. They protect all animals through legislation, litigation, investigation, education, science, advocacy, and field work.

### **Equine Land Conservation Resource (ELCR)**

Loss of open land has been identified as the greatest threat to the future of all equestrian sport, recreation, and industry. By educating horse people and encouraging partnerships with conservationists and other user groups at the local level the Equine Land Conservation Resource is mobilizing thousands of equestrians to work for land access and protection in their communities.

### **Physicians Committee for Responsible Medicine (PCRM)**

Since 1985, PCRM has been influencing advancements in medicine and science. Comprised of 150,000 health care professionals and concerned citizens, advocates for preventive medicine (with a special focus on good nutrition), PCRM conducts clinical research, and advocates for higher ethical standards in research. PCRM promotes preventive medicine through innovative programs and advocates for alternatives to animal research and animal testing.

### **4H Eastern and Western Round-Ups**

4-H is the nation's largest youth development organization. More than 6 million 4-H youth in urban neighborhoods, suburban schoolyards and rural farming communities participate. As the youth development program of the nation's 109 land-grant universities and the Cooperative Extension System, 4-H fosters an innovative, "learn by doing" approach with proven results.

### **Professional Association of Therapeutic Horsemanship International (PATH Intl.)**

Since 1969, PATH Int'l has provided Equine-Assisted Activity and Therapy (EAAT) programs in the U.S.A. and Canada through its network of nearly 800 member centers. Each year, dozens of new centers initiate new programs and more than 42,000 individuals with special needs benefit from activities which include therapeutic riding, hippotherapy, equine facilitated psychotherapy and learning, driving, interactive vaulting and competition.

### **Friends Of Sound Horses (FOSH)**

The mission of FOSH, is to promote all sound, naturally gaited horses, with a specific emphasis on Tennessee Walking Horses. Through their efforts in education on sound training principles and working to end soring practices, FOSH has become a national leader in the promotion of sound gaited horses.
